GRAFTON HIGH SCHOOL ASSESSMENT CALENDAR	15

GRAFTON HIGH SCHOOL – PRELIMINARY HSC ASSESSMENT PROCEDURES

1. How will assessment marks be compiled?

- Each Faculty, using NSW Education Standards Authority guidelines, has developed procedures for compiling an assessment mark by the end of each course.
- Assessment schedules for each subject specify the nature of each task, the outcomes to be assessed, weighting in the final assessment for that course and the timing of each task.
- The assessment schedule for each subject is included in this booklet.

2. When will assessment take place?

- Assessment will begin in Term 1 and will be completed by the end of Term 3 in Year 11.
- A period of one week prior to the exams will be kept free of other assessment tasks.

3. How will I be notified of impending assessment tasks?

- You will receive written notice of every assessment task at least two weeks before the due date. The only exception to this is the Preliminary Examinations in Term 3, Weeks 9/10, for which this booklet is notification. An examination timetable is also provided during Term 3.
- Notice will be given in a standardised format across all subjects. It will include information regarding task number, task weight, outcomes, due date and time, assessment criteria, marking scheme and clearly outlined expectations.
- For each task, you will be expected to sign to acknowledge that you have received it.
- If you are absent on the day the class is notified of an assessment task, it is your responsibility to inform your teacher immediately on your return to school. They will then issue you with the task, which you will be expected to complete by the original due date.

4. When should an assessment task be submitted?

- Take-home tasks must be submitted on or before the due date stated on the assessment notification.
- In-class tasks must be completed at the time and date stated on the assessment notification.
- Students must attend all timetabled classes and will not be granted leave of absence to prepare for other assessment tasks in these times.

5. What do I do if I know I am going to be absent for an assessment task?

- You must complete an *Illness/Misadventure/Absence Form* to explain why you will be absent and you may be asked to produce evidence of the progress you have made on the set task.
- Either hand in the task before the absence or negotiate alternative arrangements with your teacher and/or Head Teacher of the faculty.
 - If your assessment task is an assignment and your absence is for school business (such as an excursion or sporting event) it must be handed in before the absence.
 - If your assessment task is a test or examination and your absence is for school business (such as an excursion or sporting event) the Head Teacher of the faculty will make a determination based on the impact of the absence on the integrity of the assessment process (including fairness on other students, logistics in running an alternative test version/time etc.) and the length of notice given by the student for the absent.

6. What is an *Illness/Misadventure/Absence Form* and where do I get one?

- This is a form that must be completed whenever student participation and/or performance in a task has been affected by unforeseen circumstances beyond the control of the student including illness and unavoidable lateness or absence. Supporting documentation, such as a doctor's certificate, should be attached to the form.
- The forms are available from your class teacher, subject Head Teacher or Deputy Principal.

7. What happens if my assessment task is late?

- Unless there are extenuating circumstances, a zero mark may be awarded.
- You will still be required to complete the task so that you satisfy mandatory Preliminary HSC course requirements. By completing the task, you will still receive valuable feedback.
- Students using computers to prepare and present an assessment task must accept responsibility for the loss of any data or the non-completion of tasks due to computer related problems. Save your work regularly and always keep a backup or use Google Docs etc that auto save with internet connection!

8. What happens if a student is on suspension at the time a task is due?

- The student must make arrangements to submit the task by the due date.

- If the task occurs in class, then the parent/carer of the student will need to seek permission from the Deputy Principal or Principal for the student to attend school to sit the task. Where a student is not permitted to attend school, the Deputy Principal or Principal will ensure alternate arrangements are made for completion of the task.

9. What if I am absent on the day an assessment task is scheduled?

- On the day you return to school, report to the Head Teacher of the subject concerned and complete an *Illness/Misadventure/Absence Form*.
- Supporting evidence (such as a medical certificate or a letter explaining the absence from a parent/carer) should be attached and the form returned to the Head Teacher.
- The Head Teacher will consider the application and a decision issued promptly to the student and to the class teacher.
- The *Illness/Misadventure/Absence Form* will be retained in the student's file and a copy kept in the Preliminary HSC Monitoring and Accountability folder for the course.
- An alternate assessment task may be issued for you to complete or an estimated result may be given at the discretion of the subject Head Teacher.
- Where a student is unhappy with the outcome of their application, they may appeal to the Principal whose final decision will be recorded on the *Illness/Misadventure/Absence Form*.

10. What about assessment work that is not handed in?

- If you fail to complete an assessment task and have not been granted special consideration, a zero must be recorded for it.
- Parents will be notified in writing by the Head Teacher, using a HSC N-Warning letter and by phone. You will still have to complete the task for zero marks.
- If you do not make a genuine attempt at assessment tasks that total more than 50% of the available marks, then you are deemed not to have studied the course satisfactorily.

11. What happens in the case where a teacher is concerned about cheating or malpractice in an assessment task?

- In such cases, the teacher will immediately bring this to the attention of the student(s) involved and make a report to the Head Teacher.
- If malpractice is identified, the student may be penalised marks accordingly or even receive a mark of zero for the task. Students may then be required to re-complete the task properly in order to meet course requirements.
- NSW Education Standards Authority requires that schools with HSC candidates maintain a register of all instances where a student was found to have engaged in malpractice in a school-based assessment task, the subject concerned, the nature of the offence and the penalty applied.

12. Must I attend school regularly?

- Yes! You are expected to be present on each school day unless you are ill. It is not possible for any student to successfully complete the outcomes of the courses if they do not attend school regularly.
- If a student's attendance is unsatisfactory in a particular course, the class teacher – in consultation with the faculty Head Teacher – will issue a HSC N-Warning letter for failing to satisfy course requirements.

13. Are non-assessable tasks important?

- Yes! You must satisfy all the requirements of a syllabus – this includes all in-class and homework tasks set by your teachers.
- Failure to complete non-assessable tasks may mean that the NSW Education Standards Authority requirements for completing a HSC course are not satisfied.

14. What do I do if I am dissatisfied with an assessment procedure or disagree with an assessment mark?

- In the first instance, you should discuss the situation with your classroom teacher.
- You may refer the matter to a School Review Panel (comprising the Year Adviser, Head Teacher Teaching and Learning and a Deputy Principal) as soon as possible after the assessment task.
- The panel will make a decision and the result will be reported to you.
- In the event that a student is not satisfied with their final assessment rank, an appeal to the NSW Education Standards Authority is then possible.
- Any decisions regarding whether or not a task was satisfactorily completed, the subsequent marks awarded to students and any requirements to re-submit work are at the discretion of the Head Teacher of the subject concerned in the first instance. Any appeal of this decision is to be presented to the School Review Panel.

15. What do I do if I feel that a course has not been taught as per the requirements of the syllabus?

- In the first instance, you should discuss the situation with your classroom teacher.
- Should the classroom teacher be unable to satisfy your queries, you must talk with the KLA Head Teacher and the Deputy Principal or Principal.

16. What happens when the date of the task has been changed?

- If a task’s due date is to be changed this must be agreed upon by all students in consultation with the course teacher and approved by the Head Teacher for that course.
- Students will be issued with a copy of the task with the new due date and must sign the Assessment Task Variation form (shown on the right). This form outlines the changes made, reason for change and signatures of all affected parties.

Grafton High School - Variation to Assessment Task

Course Name: _____
 Teacher: _____ Signature: _____
 Task No. _____ Task Name: _____
 Weighting: _____
 Original Due Date: _____ New Due Date: _____
 Reason for change of date: _____

(The due date for the task named above has been changed from that originally published. This has been done in consultation with students, class teacher and head teacher for this course. The students listed below have unanimously agreed to the new due date for the submission of this task.)

Student Name: _____ Signature _____

GRAFTON HIGH SCHOOL

ILLNESS/MISADVENTURE/ABSENCE FORM – STAGE 6

Where student participation and/or performance in a task has been affected by unforeseen circumstances beyond the control of the student including: illness, unavoidable lateness or absence.

A GLOSSARY OF KEYWORDS

This glossary contains key words that appear frequently in Board of Studies syllabuses, performance descriptions and examinations.

The purpose behind the glossary is to help students prepare better for the HSC by showing them that certain keywords are used similarly in examination questions across the different subjects they are studying.

It is important to note that examination questions for the HSC will continue to use self-explanatory terms such as 'how' or 'why' or 'to what extent'. While key words have a purpose, they will not set limits on legitimate subject-based questions in examination papers.

Account

Account for: state reasons for, report on. Give an account of: narrate a series of events or transactions

Analyse

Identify components and the relationship between them; draw out and relate implications

Apply

Use, utilise, employ in a particular situation

Appreciate

Make a judgement about the value of

Assess

Make a judgement of value, quality, outcomes, results or size

Calculate

Ascertain/determine from given facts, figures or information

Clarify

Make clear or plain

Classify

Arrange or include in classes/categories

Compare

Show how things are similar or different

Construct

Make; build; put together items or arguments

Contrast

Show how things are different or opposite

Critically (analyse/evaluate)

Add a degree or level of accuracy depth, knowledge and understanding, logic, questioning, reflection and quality to (analyse/evaluate)

Deduce

Draw conclusions

Define

State meaning and identify essential qualities

Demonstrate

Show by example

Describe

Provide characteristics and features

Discuss

Identify issues and provide points for and/or against

Distinguish

Recognise or note/indicate as being distinct or different from; to note differences between

Evaluate

Make a judgement based on criteria; determine the value of

Examine

Inquire into

Explain

Relate cause and effect; make the relationships between things evident; provide why and/or how

Extract

Choose relevant and/or appropriate details

Extrapolate

Infer from what is known

Identify

Recognise and name

Interpret

Draw meaning from

Investigate

Plan, inquire into and draw conclusions about

Justify

Support an argument or conclusion

Outline

Sketch in general terms; indicate the main features of

Predict

Suggest what may happen based on available information

Propose

Put forward (for example a point of view, idea, argument, suggestion) for consideration or action

Recall

Present remembered ideas, facts or experiences

Recommend

Provide reasons in favour

Recount

Retell a series of events

Summarise

Express, concisely, the relevant details

Synthesise

Putting together various elements to make a whole

CONSTRUCTION – VET

Competency Based Assessment - A competency-based approach to assessment will be used and will be ongoing through the course. A participant is judged either competent or not yet competent. If a student does not obtain a satisfactory standard in their first attempt they may attempt that competency again by making the necessary arrangements with the assessor. 35 hours of work placement is a mandatory component during the HSC year.

Students have the option of electing to undertake a HSC examination with results able to contribute towards an ATAR. In the case of illness or misadventure during or prior to the HSC examination an accurate estimate based on the Trial examination (or similar exam) will be submitted to the Board of Studies.
