

# Yondr Phone Pouch Procedures

As you enter the school, you will place your phone in the Yondr pouch.

Once your phone is inside the pouch, it is to be locked and placed in your backpack. You will maintain possession of your phone at all times. The locked pouch remains in your backpack at all times, even if you decide to leave your phone at home.

At the end of the school day, your phone can be unlocked at an unlocking station located on all school entry gates.

## What if the pouch gets damaged?

The Yondr pouch belongs to Grafton High School just like any other school supply. If you damage a Yondr pouch, you will be held responsible. Your phone and pouch will be confiscated and discipline processes will be followed.

## What happens if you use your phone at school?

When you choose not to follow this behaviour expectation, and are witnessed by a teacher using your phone during school hours, the following consequences will happen:

The teacher will ask for the phone to be handed into the front office where it will be secured until the end of the day when it can be collected by you.

1. **On the first occasion:** You will be spoken to by the teacher. It will be explained that this is your first warning.
2. **On the second occasion:** You will be spoken to by the teacher, who will inform the appropriate Faculty Head Teacher. You will be issued with a Formal Warning of Suspension. A phone call home will be made to accompany this.
3. **On the third occasion:** You will be issued with a short suspension for continued disobedience.
