Grafton High School

Week 10 Term 3

Artist: Tyreece Daley

Welcome to the end of Term 3! What an awesome term it has been here at Grafton High School.

In this issue of our school newsletter, you'll find key updates and information on:

- Upcoming events
- Principals message
- Farewell to our Year 12 students
- R U OK day
- Science week
- GHS sports news
- Educational Pathways Program
- Workplace Industry Excursion
- Food Tech news
- Positive Behaviour and Learning news
- Important flood funding reminder
- Community News

Junior Bangarra Dance Company	30 to 3 Nov

From the Principal's Desk

How the year is flying by! To think it is the end of Term 3 already.

While the year is progressing quickly, if we stop and think about what we have achieved so far this year, there is plenty to celebrate. Students at Grafton HS are certainly doing their best to make every moment count.

The success of our hockey teams, particularly our girls team recently is one of the biggest news stories of the year. To win the State Finals for the first time in the competition's 51 year history is an achievement that will be recorded in the history books of Grafton High School forever.

Congratulations also to our boys team, who also qualified for, and competed at the State Finals.

In creative and cultural achievements, our students involved in this year's schools spectacular have been hard at work in preparation, both locally and in Sydney, and we look forward to seeing the outcomes of this hard work in Term 4.

This week marks the end of classes and lessons for our Year 12 students. This is a really significant moment for all of those students who have reached the end of Year 12. Congratulations to all students, and we hope that there is much fun to be had in the various activities of celebration that Ms Hubbard and Ms Taylor have worked hard on putting together for this week. While there is still an important time ahead to study and prepare for the final examinations, it is also important to stop, pause and celebrate what has been achieved in 13 years of school.

As we look towards Term 4, there will be many good things to look forward to. One reminder that is important at this point of the year is the requirements to qualify for our many great excursions that occur in Term 4, including our rewards excursions in the second half of the term. I encourage all students to wear the correct uniform (or bring a note when it is in the wash), and meet our behaviour expectations, so as to not be excluded from these great activities for being marked out of uniform too often, or not meeting expected behaviour standards across the course of the year. Enjoy a wonderful spring school holiday, and we look forward to a positive Term 4.

Scott Dinham

Activities for our Year 12 students

This has been a busy term for our Year 12 students. Since completing their Trial HSC Exams earlier this term, they have been busily revising in all their subjects in preparation for their final HSC Exams which will begin early in Term 4.

As well as all their hard work in class, Year 12 have also been involved in a range of fundraising activities. We have had BBQs, bake sales, chocolate boxes, a car wash, the Ultimate Games Night, in conjunction with the SRC, and PA Day. The Year 12 Fundraising Committee have worked incredibly hard on these events and should be proud of their efforts.

Year 12 participated in a range of fun final activities this week, culminating in their Graduation Ceremony on Friday 22 September.

On behalf of the staff and students of GHS, we congratulate Year 12 on completing their high school careers and wish them all the best for their exams in Term 4!

Year 12 Car wash

Year 12 had a very busy morning on Saturday 2 September scrubbing wheels.

A small but enthusiastic group of Year 12 students along with Ms Hubbard and Ms Taylor scrubbed dozens of cars and raised over \$450. Thank you to the students who participated.

A big thank you to Lachlan our GHS General Assistant for his help with equipment and for all the members of the community who brought their cars to be washed. It was a fabulous morning.

Year 12 Vs Teachers Netball game

It's still a few weeks until Year 12 tackle the challenge of the HSC Exams, but on Friday 15 September they took on an even greater challenge: facing the might of the teacher team in the annual Year 12 vs Teachers Netball Match.

In a fast paced and hotly contested match, two mixed teams faced off in the HPC, with scores of students and staff present to watch. Players were kept in check by the highly capable umpiring of Bridget from Year 8, which would have been a huge challenge even for a seasoned umpire, but Bridget did a fantastic job of keeping the game running smoothly. Excellent shooting was on display at each end by Sophie G, Sophie R and Ms Feeney and Mr Hartmann, with strong defence by Harrison and Mr Maginnity among others. A fast-paced centre court game kept the centre court on their toes and the spectators glued to the edge of their seats.

Ultimately, the experience and skill of the teacher team prevailed, taking out the match 11-10. Well-played, Year 12!

Year 12 Dress as a Teacher Day

Year 12 were extremely enthusiastic on dress as a teacher day, our whole School witnessed some outstanding outfits and teacher look alike. Well done to Year 12 for getting involved and having a great day dressing up.

Year 12 Music Showcase

Year 12 invited, parents/carers and friends to GHS to showcase their music items they have been working on for the HSC. What a talented group of students!!

Year 12 PA Day

Year 12 were hired as personal assistances for the day. It was a fun day for all, the DPs were extremely happy with their PAs: Deputies, Deputy. What a fun way to raise money. Well done to all involved.

Year 12 Support Graduation

Our year 12 Support graduates attended a lovely celebration at the GDSC this week, surrounded by peers, staff and family. Students had a wonderful time celebrating our five graduates: Andrew, Beau, Lindsay, Ruben and Jesse. There were speeches by staff members and students, lots of delicious food, a graduation cake, followed by dancing and music. Some students even enjoyed a bit of karaoke and a dance-off battle. Congratulations to our graduating students of 2023, we are all proud of you and wish you all the best in your future endeavours!"

Year 12 Anything But a Bag Day

The Year 12 students were beyond creative with Bring anything but a bag day. There have been reports of some extremely unique items and accessories brought in by this group.

Year 12 Mystery Bus Trip

The Year 12 students finished off their final week with a Mystery bus trip, taking them to beautiful Woolgoolga where they walked the track in Sherwood Nature Reserve through the Rainforest. They then made their way to Red Rock and enjoyed a BBQ and "Bare Foot" Bowls at the Red Rock Bowling and Recreation Club.

We will miss you all Year 12! Thank you for a wonderful 6 Years.

R U OKAY DAY

On this day people are encouraged to check up on one another, especially those going through a tough time.

Headspace Grafton teamed up with GHS Breakfast Club for a morning of delicious pancakes to support R U OKAY? DAY. Students were able to kickstart their day with a delicious feed and have conversations about the importance of mental health and wellbeing.

We are incredibly grateful to Coles Grafton Mall for constantly sponsoring our Breakfast Club and making this event possible.

R U OK?

A conversation could change a life.

Agriculture news

There was a lot of excitement building and a close eye was kept on the school's cattle herd in week 5. Agriculture Technology and Primary Industries students are pleased to announce that the first calf of the year has hit the ground at the GHS farm.

We now have 2 calves running around, both mothers and calves are happy and healthy.

Science week

On Tuesday 22 September Grafton High School held our annual Science Week year 6 orientation day. This day aims to introduce our incoming year 7 students to the school and some of the science activities they may do when they come to GHS. This year's theme was "Innovation: Powering Future Industries".

Year 6 students gained experience steering spheros, firing straw rockets, running a wind powered generator, focusing a light ray through a lens and traditional weaving skills. Of course, there was also slime to be made! We hope that our future year 7's enjoyed their day, and we are looking forward to them joining us again soon.

Science Staff
Meet some of the team

MRS RADNIDGE
Teaches: Memory at GHS: Waffle
Favourite Memory at GHS: Waffle breakfast with year 12 Chemistry Class
Favourite Movie/Book: 'Guardian of the Galaxy'

MR MAGINNITY
Favourite Memory at GHS: Rewards trips at the end of the year.
Favourite Song: 'Stairway to Heaven' by Led Zeppelin

MR STRANO
Teaches: Earth and Environmental Science
Favourite Memory at GHS: Centenary of the school in 2012 Working with SRC planting the hedge at the front of the school
Favourite Movie: 'Oppenheimer'

MISS BRUCE
Teaches: 'Investigating Science'
Favourite Memory at GHS: Finishing teaching her first year 12 class this year.
Favourite Movie: 'Oppenheimer'

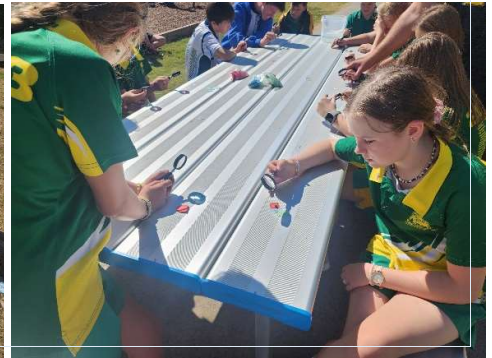

MR OTTAWAY
Favourite Memory at GHS: Fermenting barley and grapes then distilling them, for 'Activities week' (back when I was in year 7).
Favourite Movie: 'Star Wars Episode III'
Favourite Song: 'Never Ever' by Royksopp

MRS BLACKBURN
Teaches: Biology
Favourite Memory at GHS: Every trip to Heron Island - The BEST!
Favourite Book and Series: 'The Wheel of Time'

MR O'LOUGHLIN
Favourite Memory at GHS: Blowing up the old DL3 lab
Favourite Song: 'Smells Like Teen Spirit' by Nirvana

MRS BRENNAN
Teaches: Agriculture and Science
Favourite Memory at GHS: Meat Appreciation lesson in Agriculture
Favourite Songs: 'Fly me to the Moon' - Frank Sinatra and 'Mango Tree' by Angus and Julia Stone

MISS QUINLIVAN
Favourite Memory at GHS: Winning Netball against the Year 12s
Favourite Movie: 'Man from Snowy River'

Open Hockey Teams

Grafton High School and the Grafton community are beyond proud of both the GHS Open Girls' hockey team and GHS Open Boys' team for representing Grafton High School at Moorebank in The Statewide Hockey Competition.

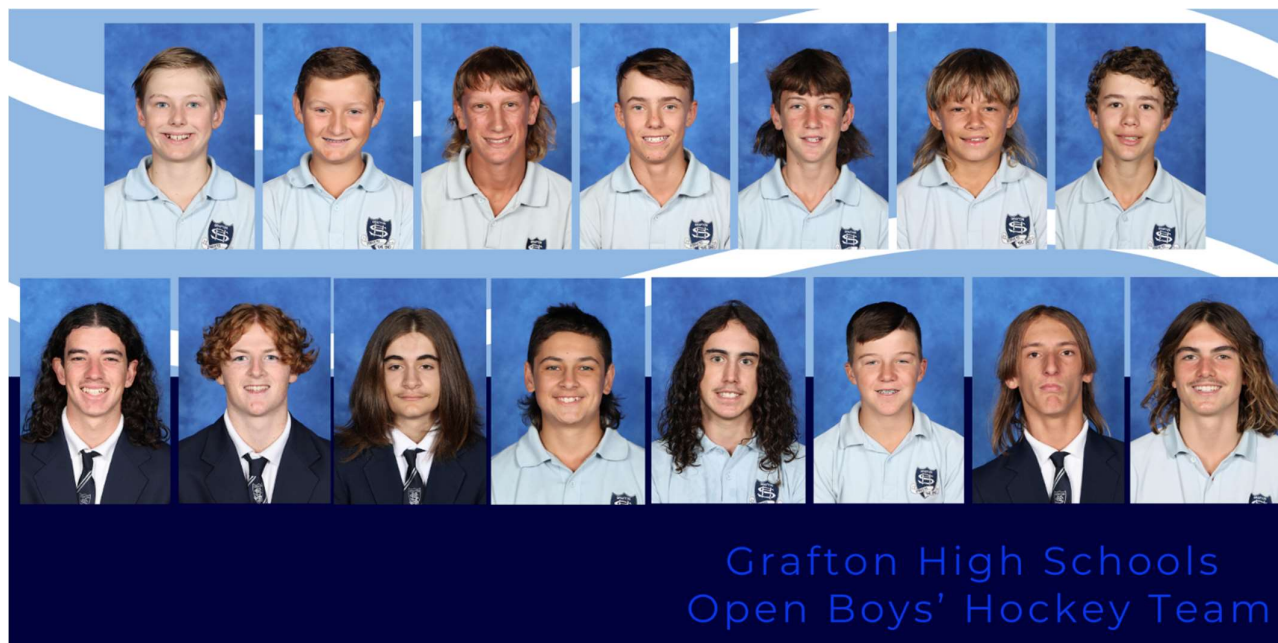

On Thursday 14 September Federal Member for Page, Kevin Hogan congratulated both the girls and boys team at Parliament on their achievement. A big thank you goes out to him and his staff for showing your support to these children on such a huge achievement.

Congratulations to the following students: Girls team; Milla, Annabel, Eliza, Shanae, Shani, Shaniqua, Shelera, Maia, Mia, Julia, Sophie, Jessica, Mikayla, Mackenna, Jordyn, Jess and Martina. Boys team; Myles, Thomas, Jack, Darby, Zayden, Elijah, Max, Cooper, Tyler, Eli, Kade, Jackson, Zac, Harry and Joseph.

Boys Hockey Finals

The Grafton High School Boys Hockey Squad enjoyed training at sunrise as a group throughout term 3.

The team made the State Finals series, where they were defeated by Farrar Memorial College 2-1, who went on to win the state final 1-0. Congratulations to the families, squad, and team for your commitment to the sport you love. The team is well positioned for the future, being this competitive in 2023 with several younger players in the team.

Girls Hockey Finals

The girls successfully made it through to the final 8 of the Statewide Hockey Competition. The girls secured convincing wins over Bellingen High School (4-0) and Armidale Secondary College (9-0) to gain a spot in the finals.

Congratulations to the opens girls' hockey team who have won gold at the State Finals!

The girls fought hard and secured a 2-1 win against Hunter Sports High School to finish first in the state. This is an outstanding achievement, with this being the first time the Grafton High School girls' team have won the title. Well done girls, we are beyond proud of you all!

Grafton High Schools
Open Girls' Hockey Team

CHAMPIONS
CHAMPIONS
CHAMPIONS

NSW All Schools Hockey

Congratulations to Maia and Eliza who travelled to Adelaide as part of the NSW All Schools Hockey team earlier this term and won a silver medal at the School Sport Australia National Hockey Championships.

North Coast Champions 15's Netball team

Congratulations to our undefeated North Coast Champions 15's Netball team! It was a great game on Monday against Maclean with a 38:25 win. We are so proud of our girls and their achievements. How great is it that it came down to two Clarence teams vying for the top spot to progress to the CHS Championships.

Congratulations to our most successful Netball team - your team spirit, energy and joy have all been amazing attributes of this team. Big thanks to our parent helpers who have supported us the whole way.

GHS will be cheering you on from afar when you take to the court in Wollongong for the CHS Championships early next Term.

NSWCHSSA Secondary Athletics Championships

Congratulations to all athletes who represented at NSWCHSSA Secondary Athletics Championships. Congratulations Harry for gaining a silver medal in long jump at these championships. We love your commitment to always participating to your personal best.

Gymnastics

Year 7 and 8 had a lot of fun in both PDHPE and Sport where gymnastics was the focus for most lessons at the end of term 3.

Rowing

The school and our community are so fortunate to have the continued support of our broader community (and previous students and athletes of Grafton High School). We are so very appreciative of your personal commitment to our great school. Wendy Ford has completed her labour of love, the book "I rowed for Grafton High School" a record of the proud history of rowing at Grafton High School across the last 80 years. Wendy presented a copy of her books to the school. These books may be loaned out from the School Library. You may also purchase a personal set by contacting Wendy on the Grafton High School Rowing Facebook page. So Awesome. Thank you so much Wendy and congratulations on your book, it is magnificent.

Grafton High School Rowing 2023 – 2024

The Grafton High rowing program 2023-2024 will begin week 1 term 4. Session times are Tuesday and Thursday from 6-7.30am and Saturday 7-8.30am at the sheds. No experience required. Come down any morning, bring a friend, or a crew and have a go. Grafton is hosting the NSW CHS Schools Rowing regatta in February 2024, and are hoping to field crews for all age groups.

Futsal

Our 14s and 16s Futsal teams performed extremely well at the Mid North Coast Gala Day. They won the majority of their games and played to a very high standard against a number of very good teams.

Cricket

Congratulations to the boys for a resounding win against Woolgoolga High School, winning by 249 runs. Outstanding effort from the boys, in particular Sam, Hamish and Bohdi who retired on 50 and to Jack, Aiden and Elijah with multiple wickets between them.

Nice work, boys!

Educational Pathways Program (EPP)

Apprenticeship & Traineeship Head Start Initiative – National Timber & Hardware Association

As part of the EPP being delivered at our school, 12 students from across the EPP Grafton Group undertook an innovative training program to improve education and career outcomes.

The EPP 'Apprenticeship and Traineeship Head Start' Initiative had students undertake pre-apprenticeship skills training with NTHA Group Training Organisation with a focus on the timber & hardware industry. Students who completed the training program developed skills and knowledge across four units of competency and an understanding from the design and manufacturing process all the way through to products being in the trade customer's hand. This training included practical activities and assessment before students were deemed competent and gained the qualification from the training company. Students also undertook an industry visit to Williams Group Australia in South Grafton. Here they spoke with the Branch Manager, HR Manager and CEO. Students heard firsthand what is expected in the industry and what they would be looking for from a young employee.

The group enjoyed lunch provided by Williams Group before touring the facility and experiencing the variety of materials, tools, and equipment. This was an important and valuable component of the program and will give students an advantage when applying for future apprenticeships. On the final day students were presented with a certificate of their achievement and were given career guidance by NTHA specialist staff preparing them for the next step in their career journey.

This free course was funded by the EPP operating at our school to ensure students leave school well prepared for higher education, training, or employment.

Apprenticeship & Traineeship Head Start Initiative - Aged Care Industry

As part of the EPP, Novaskill delivered the pre-traineeship skills course in the community services industry (aged care) to 12 students recently. The students undertook training at Mareeba Age Care over the 8 days.

The course was designed to introduce students to the specialised skills required in supporting the most vulnerable in our community.

The program had students interact with staff and residents of Mareeba Aged Care whilst undertaking training and assessment in 3 units of competencies.

Over the course of the training Mareeba Aged Care and Novaskill identified potential students that would be suited to future school-based traineeships (SBAT). Novaskill gave these students valuable skills that developed their abilities in following their chosen career pathway.

Workplace Industry Excursion

Congratulations to the Year 9 students who recently completed their construction White Card course.

The Year 9 students took part in a workplace industry day excursion. The day began at the Transport NSW depot, where the students gained valuable insights into a range of career options in the roads and transport industry. Following this, the group went to the Grafton TAFE campus, where they were given a guided tour around the campus, with a focus on career and study options in the electrical, refrigeration and automotive industry. The day concluded with a talk at the Essential Energy depot and a trip to their Grafton training facility.

GHS would like to say a big thanks to the employers, Mr Youman and the EPP team for a wonderful opportunity for our Year 9 students.

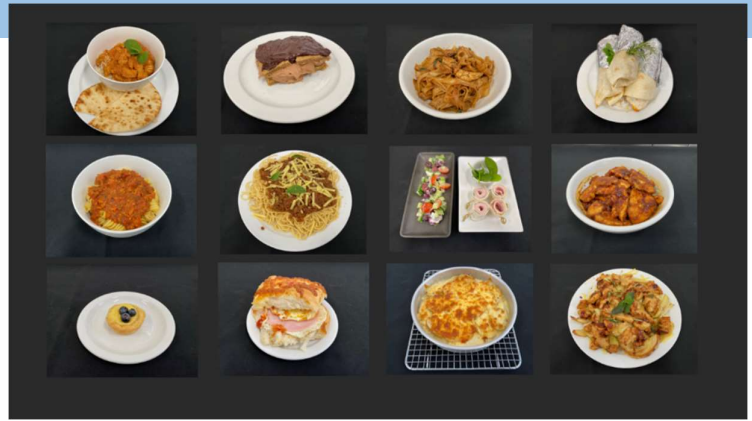

Food Technology

If you weren't hungry, well now you are!!

10 Food Tech completed their practical based assessment task for the unit we have been studying in class - 'Food In Australia'. Students were required to plan, prepare and present a dish which reflects the eclectic nature and multicultural history of Australian cuisine. There was

everything from Greek salads to Indian butter chicken, Portuguese tarts to French potatoes au gratin (Dauphinoise) and many more outstanding recipes. All students did a fantastic job and are to be commended on their organisation and overall practical application. Well done. - Mrs Cavanagh

Positive Behaviour and Learning

Values at Grafton High School have been embedded in the Grafton High School framework for over a decade.

We have a majority of students each day who uphold these values and expectations and support staff in teaching and learning.

Students may be awarded a positive referral for their efforts and interactions. These contribute towards the awards systems at Grafton High with students receiving postcards, bronze, silver gold and platinum awards.

In term 4 we endeavour to reinvigorate our system and get everyone back on board with recognising and encouraging the positives. Some new layers of rewards are to be added to our system and a reminder to each of us to say thanks for helping us through each day. Keep your eyes out and ears open for our new VIBE at GHS, coming your way in term 4.

S.H.A.R.E. @ GHS

Tell Them From Me – Survey coming soon in Term 4

For the second time this year we will again ask students to engage meaningfully in the Tell Them From Me Survey. At this time, we will also ask parents to complete a Parent Survey. Each student, teacher and parent who answers this survey has then opportunity to do so with anonymity. Year group data is collected, and male/female data is collected from students. When information is collated by the school staff it is used to provide us with student, teacher and parent perspectives about the engagement and wellbeing of their students. This information is valuable to many areas across the school and can be used to identify strengths and successes, as well as areas to target for improvement.

More information about the survey will be communicated to families early in term 4. We hope to have you on board in participating to provide feedback and information to assist in making change now and into the future.

Tell Them From Me

FLOOD MONEY REMINDER

Your flood funding \$\$\$ will not be available after 17 November 2023.

The time is fast approaching, so if you have a credit save some \$\$\$ and look to pay your elective fees for 2023 or purchase uniforms from our canteen for 2024.

P&C Meeting Thursday 26 October at 6.30pm

The staff at Grafton High School wish all the students a safe and happy holiday, we hope you all enjoy some sunshine and a well earned break.

School will resume Monday 9 October 2023, for all students.
