Pupil Free Day	22
Students return for Term 3	23
Parent Teacher Evening	30

ON NEXT MONTH: AUGUST

Y6 into Y7 Parent/Carer Information Session	6
P&C Meeting	7

Quality Teaching, Quality Learning, in a Caring Environment
Achieving Excellence since 1912

From the Principal's Desk

Reaching the end of Term 2 is always a point of reflection. Time seemingly goes quickly, yet when we look back at the first semester, there is so much that has been achieved so far this year.

Merit Assemblies

We recognised some of these achievements in Week 9 at our year group merit assemblies. It was a wonderful chance for our school and community to recognise the efforts that our students put in each and every day. Congratulations to all students who received an award, and thank you to the PBL team led by Brenda Baker for organising these wonderful celebrations of student effort.

Debutante Ball

By the time of distribution, our P&C Debutante Ball will have occurred, which is an even bigger event than normal this year with the largest number of Yr 11s participating in years. Well done to these students for pushing themselves into something new, and thank you to our P&C, and particularly Lisa Giddins, Sharyn Ellem and the support team behind the scenes making this event a success.

New timetable for Term 3

As we look towards Term 3, it is important for students and families to know that we will be implementing a new timetable for Terms 3 and 4. While I acknowledge another adjustment to our timetable is somewhat disruptive, this is necessary due to the change in school budget allocation that we were notified of in the first half of Term 2. In the interests of stability and consistency, the semester break seemed to be the least disruptive time to make this change. There will be some changes to classes in terms of which teacher is allocated, but many classes will also stay with the same teacher and continue as they were previously. Please contact the relevant year adviser if there are any specific issues or questions around your child's classes.

Year 11 2025 Subject selections

Year 10 begin the important process of choosing their pattern of study for 2025 and 2026 this week, with our information session and opportunity to speak with faculty staff and head teachers on Tuesday evening. Starting this process now allows us to work closely with students across Term 3 to construct a Year 11 curriculum and timetable offering for 2025 that satisfies as many people as possible.

We are very proud of our work with Stage 6 students at Grafton High School. Whether students are seeking apprenticeships and traineeships, striving for the highest of ATARs and entry into universities across the country, or transitioning from our highly respected Support Unit, we have proven that we have the skills, knowledge and offerings to assist in creating the right pathway for all students, and I encourage all students and families to make contact with the relevant staff members to discuss their aspirations and plans for the future, no matter what direction this involves.

Staff Changes

At the end of this term, we will see Marty Jelinek leave our school to take up a permanent appointment at South Grafton High School. We thank Mr Jelinek for his enthusiastic work this semester with us.

We also farewell Kirrin Singh-Bajwa, who will be on leave for the remainder of 2024, and will take up a position at Toormina High School in 2025. Ms Singh-Bajwa has been a permanent Staff member at Grafton HS since 2015, and has had a positive impact on many students and staff during that time. We thank her for her service to our students, and wish her well in her new school.

I hope all students staff and families enjoy a safe restful and rejuvenating school holiday break, and I look forward to continuing our positive work in Term 3.

Scott Dinham
Principal
Grafton High School

Tell Them From Me Survey

Grafton High School will again be participating in the state-wide annual Tell Them From Me (TTFM) survey. The TTFM student, parent and teacher surveys have been used in NSW public schools since 2013. The surveys provides data on a range of aspects of school life, practices and procedures from the perspectives of students, parents and teachers. This data provides valuable insights that can inform school planning and decision-making.

The TTFM student survey includes measures of engagement, wellbeing and classroom experiences, reflecting effective teaching practices. The Snap 1 TTFM student surveys are now open and students from Grafton High school will be completing these before the end of term.

The survey window closes Term 2, Week 10 (Friday 5 July 2024). Surveys take approximately 15 minutes to complete and students will be completing them during a class period before the end of term.

If you do not wish your child to participate in this survey, please contact the school.

For further information, please visit:

<https://education.nsw.gov.au/schooling/parents-and-carers/tell-them-from-me>

IN THE MPC

A brief presentation on the requirements for obtaining an HSC and explanation about the different patterns of study including TVET courses School-based apprenticeships and traineeships available to students.

SPORT NEWS

Tennis News

Grafton High took to the courts on Thursday 6 June in Sawtell. The boys delivered a superb performance, finishing in 2nd place against Toormina High. It was an excellent effort against a very strong THS squad.

The girls were equally impressive, securing convincing wins against Coffs Harbour Senior College and South Grafton. They are now the Mid North Coast Champions and advanced to the North Coast final tournament. Well done to both teams!

~ Mr. Quayle & Miss McGarvie

North Coast Champions!

On 17 June the girls tennis team competed at the North Coast finals becoming the North Coast Champions after defeating Mullumbimby High 5 sets to 3 making it a very close final.

The girls will now progress to the CHS State Knockout Finals in Nelson Bay in Term 3.

~ Miss McGarvie

**Congratulations
& good luck!**

Rugby League News

Congratulations to the GHS U/14s rugby league team. They demonstrated a high level of sportsmanship and were very competitive. They had a win over SGHS and went down to Orara and Woolgoolga in close games. Well done boys.

Rugby League NSW Country Squad

Bella shows skill and talent in a number of sports but it is in Rugby that she excels. Her enthusiasm and dedication to the sport have led to her selection in the NSW Country squad. Congratulations Bella, well deserved!

Noah has his feet firmly on the ground, that's unless he is soaring over opposition players in a line-out.

The Grafton Redmen under-14 captain has been selected in the NSW Country under-14s squad after impressive performances for the Mid North Coast at the Country Championships. Great work Noah!

North Coast Girls Hockey

Congratulations to the North Coast girls hockey team winning Gold at the NSW CHS hockey carnival. Members of the team included 5 Grafton High School girls - Milla, Shelera, Shaniqua, Shanae and Maia.

Four girls were selected into the NSW CHS team to compete at the NSW Allschools tri series next term - Shanae, Shelera, Shaniqua and Maia.

Also, a big congratulations to Maia for being named player of the tournament!

GHS Girls Hockey Update

There have been many young and enthusiastic girls come along to our frosty Wednesday morning trainings throughout Term 2. It is really pleasing to see new faces having fun and learning some skills and concepts along the way. The depth of players at GHS is great and a credit to the community clubs that the girls play for each season.

We will continue to train as a squad of 20 or more in Term 3. This will assist in having some of the more experienced players pass on their tips and tricks in the current season.

A core group from the girls squad joined together recently to play rounds one and two of the NSW CHS knockout competition, convincingly defeating both South Grafton High and also Bellingen 10-0 and 9-1 respectively. The standard of playing both matches was great, and it was pleasing to see the girls combine well in both matches. Thanks to parents and grandparents who made the trio to Coffs Harbour for the round 2 match. Some of the parents were able to capture some of the moments of this second match.

It is believed that the girls will now progress through to the final rounds to be held late term 3, with Murwillumbah High School girls also proceeding through.

Training times and dates will be posted in Sentral after Week 1, Term 3.

~ Ms Baker and Ms Keats, Co-Coaches

Netball Teams Shine at Netball Schools Cup

On Wednesday 26 June, 28 students participated in the Schools Cup Netball day here in Grafton. GHS had three teams representing the competitive girls High School divisions: the Year 7/8 Gangstas, Year 9 Nutters, and the Year 10 Goats. The event was a fantastic showcase of talent and sportsmanship, held under lovely weather conditions that added to the day's enjoyment. All our students represented the school exceptionally well, demonstrating excellent sportsmanship and team spirit.

A special mention goes out to the Year 7/8 Girls and the Year 10 Girls who both finished in the top two teams in their divisions and have now advanced to the next round. The competition was fierce, with high schools McAuley Catholic College and South Grafton High also in attendance. Their hard work and teamwork were evident on the court, and they have set a high standard for future competitions.

I would like to extend my heartfelt appreciation to Milla, Lily and Vinh who took on the important role of umpiring. Their dedication and fair judgment were crucial to the smooth running of the event. Additionally, a big thank you to Miss Moss, the parents and greater school community who came to support our teams and students. Your presence and encouragement provided a significant morale boost for the players and contributed to the day's success.

I am very proud of the girls' achievements and look forward to their continued success in the next rounds. ~ Mrs Cavanagh

GHS Athletics Carnival

GHS Athletics Carnival was held on Monday 3 June 2024. Students participated in events such as high jump, shot put, discus, long jump, javelin, 100m, 200m, relay and novelty races.

It was great to see high participation with so much House spirit! Students should be proud of their efforts and sportsmanship shown. Well done!

Age champions and house champions will be published after they have been announced and presented to students.

Special thank you to the GHS Coffee Shop for the refreshments for the teachers.

Further snaps from the day can be found on our facebook page.

Zone Cross Country Results

Congratulations to all the students who competed in the Zone Cross Country on Friday 14 June. Outstanding effort from all.

NSW CHS Cross Country

Congratulations to all the students who participated to their potential in the Regional Cross Country on Friday 21 June. Special mention to those that have earned a place to represent the North Coast at the NSW CHS Cross Country Championships in Sydney.

**WELL
DONE**

OUT AND ABOUT EXCURSIONS

Agriculture/STEM Career Expo

Years 10-12 Agriculture and Primary Industries students made the most of the opportunity to attend the Agriculture/STEM Career Expo held at Tamworth. Student behaviour was wonderful and participants thoroughly enjoyed the day in the crisp tablelands air.

There was a wide variety of career options on display for students to access. I'm sure some of them will be inspired to follow a career path within the industry.

This excursion was made possible and supported by the Educational Pathways Program (EPP) which operates at our school to ensure students leave school well prepared for higher education, training or employment.

~ Mr Kelemec

Secondary Schools Student Leadership

In Week 8, our School Captains, Bree and Marty, headed to Sydney to attend the Secondary Schools' Leadership day hosted by the Parliament of NSW. The excursion included a trip to NSW Parliament House, where Members of Parliament answered some great questions from students about politics and leadership; followed by a visit to the Houses of Parliament to watch them in action as they debated the budget. The day concluded with a tour of Government House and a meeting with The NSW Governor, Margaret Beazley. Bree and Marty joined the Captains from South Grafton HS and Maclean HS for the excursion and all students were excellent representatives of the Clarence Valley.

Below left: Bree & Marty at NSW Parliament house.
Below right: Students with Member for Clarence, Richie Williamson.

Above: Clarence Valley's School Captains looking very flash at Governor House.

Clarence Valley

CLOSE THE GAP

Day 2024

Clarence Valley Close the Gap was held on Tuesday 4 June. Close the Gap is a program run by Mudyala Aboriginal Corporation from Maclean, it is a great opportunity for school students to come together from all over the region to share culture and assist in breaking down barriers. Service providers also attended providing workshops and giveaways to all students, there were also some NRL players attend for the day to inspire the students. Grafton High School took approximately 60 students, who all had a great day and participated in all activities provided, a great time was had by all and GHS received positive feedback from Mudyala.

Looking great in their new polos!

GHS Debating Teams

The first round of the 2024 Premier's Debating Challenge has been completed, with Grafton High School collecting a clean sweep of victories!

Students from years 7-8 have formed 2 teams and have debated against students from Orara High School and South Grafton High School on topics relating to education. Students from years 9-10 formed the third team and they also competed against a team from Orara High School.

All three teams provided a number of convincing arguments on some complex and topical educational scenarios.

The next round of debates will be conducted late Term 2/early Term 3. Well done teams!

AROUND THE SCHOOL

Market Day in the QUAD

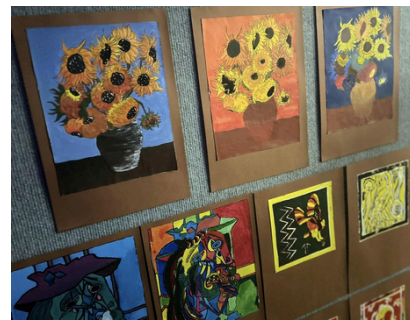

On Thursday Week 8, Year 11 Business Studies, Year 9 Commerce and the SRC worked together to run Market Day in the quad. We had some excellent stalls this year, with items ranging from bacon & egg rolls, hot chips, a number of bakery stalls, mixed lollies and a milkshake stand. The day was a big success, with an enormous amount of interest and support from students and staff alike. Every stall managed to make a profit this year, which is an outstanding effort!

The Market stalls made a combined total of just over \$1200 in profit, which will be donated to the Cancer Council and to Year 12 to go towards their formal. Well done and thank you to everyone involved.

T Block Tunes

Thursday 27 June, CAPA/Languages and TAS presented T Block Tunes. The weather played well and we were able to entertain our guests in T Block using the deck for performances. There was a lot of talent on show with performances from Music Elective students in Years 10, 11 and 12. The food and beverages were flowing with Year 11 Hospitality whipping up some delicious treats! It was a great turn out and an excellent opportunity for students to showcase what they do so well. Thank you to all the students who performed, prepared food and assisted with set up/pack down. Thank you to the CAPA/Languages and TAS staff that helped pull together a great night. And of course, a massive thank you to all of the guests that were present to support our students. See you at the next one!

SRC News

The SRC has been very busy over the last few months working on changes to the SRC constitution. Discussions started at our leadership day at the end of Term 1, as the student reps debated ways to make the SRC more effective.

This term the SRC has consulted with the school executive staff, P&C and other schools, and has spent many lunch times debating changes. The new constitution will be implemented at the start of Term 3, ready for the SRC elections. The biggest change will be the election of 4 School Captains, which will replace the Vice Captain roles. All SRC reps should be commended on their efforts in marking these changes.

The SRC have also been busy volunteering at the parent teacher night, running the NAIDOC BBQ and hosting morning tea for staff in Week 10 as a part of the Biggest Morning Tea Cancer Council fundraiser.

The recent Merit Assemblies were also hosted by SRC students, leading each year group through the celebration of student effort and achievement. Thank you to all of the families and friends of our community who joined with us throughout these celebrations. It was wonderful for our students to feel so supported by the hundreds of parents and friends who attended throughout the day.

Year 8 Japanese

Year 8 Japanese (8JAP1) students have been revising their speaking skills through a 'speed dating' activity.

Bula Jugun Cultural Day

Westlawn Public School hosted Bula Jugun Cultural Day on 12 June, where students from Grafton High School, South Grafton High School and Primary and Infants schools within the Clarence Valley attended.

The day included language classes in Bundjalung and Gumbayngiir, Traditional Dance and Didge, Ochre Skin Painting, Contemporary Dance and Traditional games that were facilitated by Grafton High Year 11 and 12 Abstudy Students. The day was very well attended and enjoyed by all.

Breakfast Club

GHS Breakfast Club is currently held on Mondays, Wednesdays and Fridays and offers a range of breakfast options including toast, cereal, toasties, croissants, fruit & milo.

The program relies on donations from our very generous sponsors including Coles Grafton, Woolworths Grafton and Farmer Lou's. Their support allows us to continue providing nutritious breakfasts for our students, ensuring they start their day with a full stomach and are ready to learn! We are grateful for the positive impact this has on our students, helping to improve their health, well-being and educational outcomes.

Textiles

This semester, Year 7TM4 and 7TM7 classes have embarked on an exciting journey into the world of textile art and sustainable design, resulting in a unique and culturally rich project: reversible tote bags. This creative endeavour not only developed the students' sewing skills but also deepened their appreciation for Indigenous art and modern textile colouration techniques.

The reversible tote bag project introduced students to various aspects of textile design, from pattern development through to sewing techniques including seams, hems and topstitching, pockets and straps construction. The outer fabric of the tote bags features vibrant Aboriginal designs, chosen to celebrate and honor the rich artistic traditions of Australia's Indigenous communities. Students could choose from an assortment of fabrics offered or supply their own. This was further supported through the theoretical case studies of an array of Aboriginal Textile designers known for their intricate patterns and bold colors. We learnt how they tell stories of cultural significance and tell of the connection to the land with their designs.

Inside, the tote bags reveal a surprise: a custom tie-dyed lining created by the students themselves. This aspect of the project allowed students to create a fully reversible bag and experiment with an array of dyeing techniques, fabric binding methods and colour blending. The tie-dye process, with its element of unpredictability, encouraged students to embrace creativity and enjoy the unique results of their work.

This project has been a wonderful opportunity for our Year 7 textiles students to explore their artistic abilities while learning about and honouring Aboriginal culture. The reversible tote bags they have created are not only practical and stylish but also a testament to their hard work and creativity and will be on display to celebrate Naidoc Week at GHS. "I am very proud of their efforts and I look forward to seeing what our budding designers will create next semester in the Technology Mandatory course" ~ Mrs Jessica Cavanagh (TAS teacher)

LASER CUTTER PROJECT

REQUEST FROM OUR TAS DEPARTMENT

If anyone has any leather or leather offcuts they would like to donate for year 8 to use for an upcoming project using the laser cutter, it would be greatly appreciated! Please send into the school attention Mrs Ellis. Thank you!

CAREERS

SBAT - It's all about teamwork!

GHS would like to express our deep appreciation for the support given to our SBAT (School Based Apprenticeship & Traineeship) students by outside training organisations, such as ETC.

At GHS, we are able to provide a quiet meeting space where outside registered training organisations have the opportunity to visit the SBAT students during their study periods. This face to face meeting is instrumental in supporting the SBAT students in a flexible and timely manner in order to give them the best possible chance to complete the training requirements of their SBAT.

GHS would like to thank Vicky Hartmann, a trainer from ETC, who is pictured meeting with Mia, a GHS SBAT student in Year 12. Vicky has visited Mia on a regular basis and has been invaluable in supporting Mia throughout her SBAT journey.

With Vicky's dedication to visiting GHS, Mia will likely gain early completion of her Cert III in Individual Support in Ageing prior to completing her HSC. Both Vicky and Mia have formed a successful partnership to make the SBAT journey a positive and enjoyable experience for all parties. Thank you Vicky and Mia!

Ex-Alumni SBAT - Regional Finalist!

Ex-student Jorja, from class of 2023, was an SBAT student who completed a traineeship for Certificate III in Early Childhood Education and Care at Westlawn Preschool, as part of her HSC. Jorja recently attended the NSW Training Awards as a top 3 finalist for the School-based Trainee of the year. Although Jorja didn't bring home the win, she was presented with a gift voucher and a certificate for this amazing achievement. Well done Jorja!

Jorja has now secured employment with the preschool and has commenced studying her Diploma. It is great to see the educational pathways program creating successful career opportunities for our SBAT students.

The NSW Training Awards are conducted annually by Training Services NSW within the NSW Department of Education to recognise outstanding achievement in the vocational education and training sector. The Awards honour and reward the achievements of students, trainers/teachers, registered training organisations and employers.

GHS PBL SHARE AWARDS

Students recognised through assemblies and Year Meetings

Grafton High School's Positive Behaviour for Learning Team has been working hard in the background to support staff in recognising student effort and achievement throughout the year. Since the beginning of Term 1, GHS staff have now collectively entered more than 16500 positive entries, recognising students who display and engage in SHARE values. Every fortnight at the whole school assembly 6 students are recognised for positive effort and engagement through a random draw, and are awarded a voucher donated by local businesses or the school. Our student group are thrilled to have the opportunity to receive these random rewards, with students from each year group being well-represented each week.

Again our PBL Team is extremely thankful for the ongoing support of our local businesses who are kindly donating vouchers or tokens from their business to support our students. The Saraton Theatre, Toast Café, Heart & Soul Café, M&J Logging and Summertime Electrical are to be thanked for ongoing support. We also wish to extend our thanks to the GHS canteen staff and the GHS Coffee shop staff for their donations to support our students and staff.

Our Year Meetings held each alternate week also see at least one student from each year group recognised in this forum. A Year Adviser's Award is issued to a student, for effort, achievement or improvement.

Congratulations to the recipients of these Term 2 awards, well done.

A HUGE THANK YOU TO OUR PBL SPONSORS

Grafton High School PBL Team

Merit Award Presentation Assembly

THANK YOU to our families and friends who attended the Merit Assemblies. What a wonderful way to end term 2 with the Merit Assemblies that were held last Tuesday. In total 380 students from across the school received awards throughout the day. It was fabulous that we had more than 200 family members and friends attend these ceremonies throughout the day to acknowledge the achievements of our students' achievements.

For our school community; SAFETY, HONESTY, ACCEPTANCE, RESPONSIBILITY and EFFORT, reflect values and expectations for all students.

180 students have achieved 30 or more positive entries throughout the year so far, being eligible to receive a school Bronze Award - an excellent achievement that shows many students working towards consistent effort and achievement in many areas of school life. A further 200 students were recognised through our Merit Assemblies by their teachers. Staff have recognised student improvement, effort, excellence or commitment to their studies by issuing a Merit Award for their subject area. It was great to see so many students across all the year groups receive these awards at this formal event.

There were many helpers and staff who contributed in various ways, supporting this event to occur. A huge thank you to the staff for their data input and especially each member of the office staff for sorting and printing certificates; to the SRC for hosting each year group assembly and also to the photographers, ushers and support crews. The flowers supplied by Mrs Coles and SLP2 and WISE 3 added a beautiful touch to our stage. Thanks everyone for your behind-the-scenes work.

As this is the first Merit Assembly function that has been hosted at GHS in recent years (for various reasons), feedback regarding the event is sought. If you were able to attend the function and could provide some feedback this would assist the PBL Team in evaluating what the next Merit Assembly/Function or a similar event may look like.

Your feedback via the below link would be much appreciated:

<https://forms.gle/13VmNGeYj8WiWdfYA>

~ Ms Baker and the PBL Team

VOLUNTEERS NEEDED

*Calling All Parents/Carers
We Need Your Help*

At GHS we are so grateful for the lovely ladies who work in our school canteen, every day they are serving our students and staff delicious healthy food.

The canteen also sell stationary items and can help you with school uniform purchases.

We would certainly appreciate any new additional volunteers to help prepare food for a few hours, once or twice a month.

Find out what really goes on in the school!

KEEP THE FIRE BURNING! BLAK, LOUD AND PROUD

STUDENT ACADEMIC INTEGRITY POLICY

- ▶ Act responsibly with honesty and integrity, ensuring your work is your own.
- ▶ Suitably acknowledge all sources utilised to complete your work including but not limited to the use of artificial intelligence tools, internet, and other resources.
- ▶ Seek permission to use the work of others where required.
- ▶ Take reasonable steps to ensure that other students are unable to copy or misuse your work.

If a student's work is not upheld to the standards set by this policy, the student may be penalised marks accordingly or even receive a mark of zero for the task. Students may then be required to re-complete the task properly in order to meet course requirements.
